Civil Ceremonies at the Theatre Royal

Both the beautifully elegant vestibule and the unique Victorian stage at the Theatre Royal are available as a wedding venue for civil ceremonies in Waterford.

If you're looking for something a little different and want classic simplicity in a venue steeped in heritage, then this is the setting for you.

We can accommodate wedding ceremonies for up to 100 people in our striking 18th century entrance hall and over 400 in our auditorium (subject to public health guidelines), for couples who would like to say 'I Do' on our beautiful stage.

We offer the option to 'live stream' your wedding for guests who can't be there on the day.

Catering options, including a champagne reception in the theatre vestibule, are also available.
